

Pocola Public Schools

Lawrence Barnes, Superintendent

Dear Parent/Guardian:

There will be a statement sent home on the 1st of each month with the students that have a negative lunch account balance. Each student has a user ID and password assigned to them for viewing their lunch account balance through the student grade book program online. If you do not have access to the internet and want to check on your child's account balance, call Alicia Young at 918-436-2424.

Students may charge up to -\$12.00 before going on an alternative meal. When students charge up to -\$6.00 they will not be allowed to charge extra items, (drinks), until the balance has been paid.

WHEN YOU PAY FOR STUDENT MEALS IT WILL BE SPLIT BETWEEN ALL STUDENTS IN THE HOUSEHOLD UNLESS OTHERWISE NOTED.

Please check your child's account frequently.

Sincerely,

Lawrence Barnes
Superintendent
